

PWREx Exported Constants

PWREx Regulator Voltage
Scale

```
graph LR; A[PWREx Regulator Voltage Scale] --> B[PWREx Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the right is shaded gray and contains the text 'PWREx Regulator Voltage Scale'. The box on the left is white with a black border and contains the text 'PWREx Exported Constants'. A horizontal arrow points from the right box to the left box, indicating a relationship or flow from the regulator voltage scale to the exported constants.
