Write Protection

```
graph LR; A[FLASH Option Bytes Write Protection] --> B[FLASH Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'FLASH Exported Constants'. The box on the right is light gray with a black border and contains the text 'FLASH Option Bytes Write Protection'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or dependency from the option bytes to the exported constants.
